Greetings Partners and Friends of AMI,

Every year I enter a season of prayer and fasting to seek God for the ministry, our team and partners. In my time of prayer for the year 2019, I sensed the word **"Greater."** So I decided to read a book called Greater by Stephen Furtick. After reading, I knew more than ever to believe God for greater in every possible area of my life!

As I reflect back to 2019, God has done absolutely that, GREATER!!! We've grown in team and staff, financial partnerships, ministry results and so much more.

My genuine prayer was, *"God, don't do greater for AMI, do greater through us."* And not only through us but our partners and friends of the ministry as well. I trust that our growth is a direct result of ways you and your family have also experienced greater in 2019.

Thank you for every prayer, phone call, email, and dollar you contributed to help us make disciples by preaching the gospel. You are a true champion! I am thankful that together we WIN as we move forward to advance the Kingdom of God!

Continue to go with us to see the Nations **Awakened, Arisen, and Active** for Jesus Christ!

DELIVERANCE

ORANGE WALK, BELIZE

AMI exists to proclaim the gospel worldwide and mobilize individuals to fulfill the Great Commission! Our missions team went into four main villages to share the Gospel. We reached nearly 5,000 people over the two weeks of festivals and recorded 223 salvations!

We took on the enormous task of visiting homes of 200 families hand-selected by each region's outreach director and local church pastors. In partnership with One Hope, Children's Cup, 28 local churches, and countless volunteers, we shared the tangible love of Christ through unforgettable visits.

A husband and wife in San Jose stood out in the crowd because they communicated through sign language. The wife used ASL to communicate that they have not been able to talk or hear for many years. During prayer, the wife began singing along with the worship song being played! She miraculously heard the music and began worshipping to the song! After that, Will asked the husband to raise his hand if he could hear his name while facing the opposite direction. The husband responded multiple times by raising his hand! Lastly, the husband was asked to say the name of Jesus, but no words were coming from his mouth. However, when Will shared that this is the start of healing for them and that God will continue to do good work in them both, immediately, the husband said, "AMEN!"

MOROGORO, TANZANIA

Every year we have an opportunity to learn from larger ministries while partnering together to preach the gospel. Traveling alongside the founder of SOS Adventures and their team, I learned to trust God in a greater way. It was incredible to see 99,000 people reached and over 8,000 indicated decisions. God is not afraid of our capacity to dream for Him! There's a harvest of unreached people that makes up 42% of the world, and God is waiting for us to dream big, trust Him, and go make disciples!

PEOPLE REACHED

According to Ephesians chapter four, the call of an Evangelist is to reach people for Jesus and equip the Church to do likewise! “Breaking through the flashy and seemingly untouchable barrier of the platform, Will connected with and inspired our entire church to have TENACITY in telling people about Jesus!” (Kendra K.) Through **Activate Services**, Will has the opportunity to serve local churches by equipping, inspiring, and activating them to share the Gospel with non-Christians.

Will Jones is not only an engaging, effective, powerful speaker - he is an even better guy! People loved him. I so appreciated his willingness to honor the rules of the house and yet deliver a truly anointed message.”

– Pastor Jeff Leake

ARISE INTERNSHIP

The **ARISE Ministry Internship** is designed to help emergent ministry leaders discover and develop their God-given gifts, and we are honored to partner with God on each intern’s journey to discovery! In 2019, we had three participants in the program.

Help us celebrate **Allison** as she completed our one-year ARISE Internship! During her time she had the opportunity to learn and grow in various ways, including: Prepare and deliver a sermon, learn to evangelize and share the Gospel, lead, train and oversee a short-term mission trip, and ultimately discover God’s character to walk closer with Him than ever before! After the internship, she accepted a staff position with AMI in the Minneapolis office.

Alex was grateful for the insight into message prep and how to communicate message points!

Brooke embraced AMI’s values and began applying to her everyday life to have a deeper found purpose!

A workshop designed to equip followers of Jesus toward a lifestyle in practically sharing their faith, we hosted our first **Activate Evangelism Event** in Oklahoma City with more than 30 key businessmen and women! It was a time of learning biblical truths of Evangelism, how to share the message of Jesus in practical ways, and building and deepening relationships!

“ *This was by far the best gospel and evangelistic seminar I’ve ever attended!*” – Brent V.

We want to help people to live a lifestyle of sharing Jesus around themselves. God invites each of us on His mission to make disciples through living a life of Active Evangelism!
